Dear pastor Gene Rowell and church brethren,

We trust this prayer letter finds you in good health and spirit, guided by God's grace. Your unwavering commitment to our ministry has been a beacon of strength amidst the challenging circumstances that prevail in our nation. We praise God and sincerely appreciate your support, which enables us to persevere in the ministry.

In the face of difficulty, our church convened for a day of prayer and fellowship, recommitting ourselves to the service of the Lord. I am filled with joy and encouragement after witnessing the dedication of our church members to the ministry. Their renewed commitment, particularly to increasing the monthly support for church planters in Myanmar, is a testament to their deep-seated devotion to advancing the Kingdom of God. Your commitment, dear brethren, is what makes our ministry thrive and has a significant impact on the lives of those we serve.

As a testament to this renewed dedication, our members have actively reached out to their acquaintances, inviting them to participate in a day dedicated to the teaching and preaching of the gospel. Pastor Thet Khaing profoundly shared the Word of God, heralding a message of hope and redemption. This outreach initiative, grounded in personal relationships and Gospel sharing, has borne fruit, as evidenced by Bro. Tha Khu and Ma Hnin accepting Christ as their Savior and are now undergoing discipleship for water baptism. Their transformation is a clear demonstration of the power of the Gospel and the effectiveness of our ministry's efforts.

As mentioned in our last prayer letter, Bro. Ko Aung Zin finally decided to follow the Lord through water baptism. He now faithfully attends church and is involved in our church music ministry, which is as an indication to the impact of God's grace. Please pray for his wife who, though receptive to the Gospel, is not yet saved.

It has been over three years that Bro. Sakido and his family cannot go back to their mission field because of the war. Despite the challenges they face, God has used them as instruments of His grace, particularly among IDPs in their region. As the Lord provides funds, Bro. Sakido conducts evangelistic crusades, resulting in numerous professions of faith. We humbly beseech your continued partnership as we seek to amplify our support for his ministry among IDPs. Your financial support at this time would greatly help us in this endeavor.

Given the current crisis that has been made worse by the new law "Mandatory Military Service," people are experiencing increased anxiety and uncertainty. Many families worry because their sons who are above eighteen years of age might be forced to join the military. It is not easy to give advice to our members in this situation. We deeply need and value your prayers as we try to help our people during these difficult times.

Would you please not cease to pray for us we continue to share the Gospel and reach Myanmar people that souls will be saved, believers will be strengthened for ministry! Would you also pray for peace and freedom in our country! May the grace of our Lord continue to sustain and guide us in our collective endeavors.

Yours in Christ's service,
Your co-laborers for souls,
Abraham, Deborah, Nathan and Jerusha
