reaching argentina

Dear Pastor & Praying Friends,

We want to thank all of you for standing by us through your prayer and support. During these times of uncertainty, it is truly a blessing to have churches praying for us and supporting us.

At the time of this letter, Argentina is under a social distancing measure by the government. We are just about 4 months into our isolation/quarantine. It has become a bit more flexible than previous weeks. More businesses are open and people are allowed to freely walk on the streets and parks with a mask. Churches are still not allowed to gather.

We have started our winter season. We have experienced some cold weather recently. One day the low was 26. We especially feel it since we don't have central heating in our house. We do warm up by bundling up and being next to space heaters!

We are rejoicing that Diego and Debora got saved. Hannah and I have been doing individual Bible studies through video calls with them. This week, David is also going to start a new Bible study with Fabricio, the son of Mariana, a lady who was saved and baptized a few months ago at our church. Please pray for them!

We have somewhat restarted services at home on Sunday afternoons. We are allowed to have ten people in our home so we invited people from the church to have tea and snacks and also a time of devotion, singing and prayer. Please pray for wisdom as we make decisions concerning the church building we are renting.

David has been preaching through the Book of Philippians on Sunday mornings on Facebook Live and going through different Psalms on Wednesdays.

Please continue to pray for us, our church family (as many our new in the faith) and for our neighbors, Franco, Gabriel and Paola that they would be saved. We appreciate your prayers for the authorities in Argentina that they would seek the Lord and make the right decisions for the people. Pray that the Lord will protect and guide us as we serve Him here. Thank you so much for all that you do for missions and the cause of Christ down here in Argentina! God bless you!
