Dear Brothers and Sisters in Christ,

Life here in Germany has been very busy! God has been so gracious to provide us with a wonderful church family who have been a great help!

I have started taking intensive language courses so that I might be able to learn the language at a quicker pace. Naomi is also able to continue her language courses as well.

This past Sunday I had the opportunity to preach again. I hope to be able to preach fully in German within a few months! We have been so blessed to have many visitors each week. It has been wonderful to get to know people on a more personal level and begin to build relationships with everyone! Please remember these precious people who we are able to share the Gospel with.

Our things from America have arrived in Germany and we are just waiting for a specified date for Christmas morning to arrive at our doorstep.

Please continue to be in prayer for our Visa process. It is taking a little bit longer than anticipated, but we know that God's timing is perfect in all things!

Mommy and baby are still continuing to do well! We thank the Lord for our little blessing who loves to make her presence known!

Thank you all so very much for your continued prayers and support!

May God bless you all!

Yours in Christ,
Mark and Naomi Byers
